SIR,

Subject:- Cancellation - inam tenure - lands endowed to Sri Tirumala Ranganathadevaru at Dasanpur, Shikarpur Taluk.

In forwarding herewith the vernacular records received with the Shimoga Deputy Commissioner's letter No.Muz.1.C.163/32-33 dated 21-6-1934 (copy enclosed) on the above subject, I have the honor to state as follows:-

The temple in question is a Village institution endowed with the marginally noted inam lands. It appear from the Special Duty Muzrai Auditor's report dated 18-11-1930 (enclosed in th records) that the temple building is in utter disrepair, that the idol is broken, that no puja has been performed in the temple for the past 20 years and that the village itself is getting depopulated. It is stated that on P. Krishna Rau took up the lease of the inam lands for a period of 10 years from 1925-26 on condition of resuscitating the temple, arrangin for puja, paying kandayam to Government and bringing the lands under cultivation. He did not conform to the conditions and ultimately resigned his saguvali hak in 1930. It is estimated that the work of ~~the temple~~ reconstructing the temple and installing an idol would cost about Rs 1000/-. As the villagers expressed their inability to revive the institution and the inam lands were lying ~~x~~ banjar for over 20 years, the Sub Division Officer declared the institution de-

defunct and ordered that the inam lands might be resumed to Governmen leased out. It is reported that attempts made by the Amildar to leas the lands have proved fruitless. The Deputy Commissioner recommends the inam tenure of the lands may be ordered to be cancelled and the l disposed of as sircar lands. I request that sanction of Government may kindly be accorded to the cancellation of the inam tenure of the lands and ~~their~~ their disposal by public auction, the proceeds being credited to General Muzrai Funds. Subject:- Cancellation of the inam tenure of the Devadaya lands endowed to Sri Tirumala Ranganathadevaru temple at Dasanpur, Shikarpur Taluk.

In forwarding herewith the file of correspondence ending with the Sagar Division Officer's Memo No.R2-P1.169/31-32 dated 14-4-34 on the above subject, I have the honor to state as follows:-

The temple in question is endowed with the inam lands as detailed in the margin in Dasanpur village, Udagana Hobli in the Shikarpur Taluk. The lands were formerly in the possession of the two archaks of the temple. They died and their wives did not want the lands nor did they arrange for puja. One of them left the place and the other tendered her resignation for puja hak as well as for the lands. One B. Krishna Rau, Retired Excise Assistant Inspector took up the cultivation right of the inam lands for a period of 10 years from 25-26 on condition of resuscitating the temple, arranging for puja, paying kandayam to Government and bring the lands under cultivation. He paid kandayam for five years and then resigned his saguvali hak on 18-3-1930, as the village was thereby depopulated and his efforts to bring the lands under cultivation were not fruitful for want of labour and further, as he did not possess the means to invest a large sum of money to reconstruct the building and instal a new idol in place of the present one, which is broken and cannot be worshipped owing to that defect.

The Special Duty Muzrai Auditor reported that the village was deteriorating rapidly, that there was no hope of reconstructing the temple, that the idol is broken to two pieces, that there was no puja for nearly 25 years, that the institution might be declared defunct and that the inam lands may be leased out to 4 vaddars who had then come forward to take up the lands on lease and the proceeds credited to General Muzrai Funds.

The Sub Division Officer declared the institution as defunct and ordered that the lands might be resumed to Government and leased out.

Attempts made by the Amildar to lease out the lands proved futile. He therefore reported that as the institution has no funds at its credit except State Loan Bonds of the value of Rs 100/- either the demand on the temple ordered to be remitted annually till such time when people

come forward to take up the lands for cultivation or the inam tenure of the lands may be cancelled.

The Sub Division Officer has recommended that the lands are more a burden than an asset to the temple and that their inam tenure might be cancelled.

Under the above circumstances, I request that the inam tenure of the lands may be cancelled and they may sold as ordinary sircar lands, as they are lying banjar for over 25 years and there are no probabilities of the lands being taken up for cultivation in the near future as inam lands.
